

2008 Four Cairn Syrah

Rating: 94

Drink: 2010-2020

This superb but tiny production 2008 Syrah possesses copious notes of roasted meats, blackberries and cassis intermixed with a hint of flowers. From a historic vineyard planted in 1951 under the direction of Andre Tchelistcheff, it is a rich, full-bodied, opulent, superb Syrah to drink over the next decade or more.
