- 91** **2011 Four Cairn Syrah, Napa Valley - St. Helena**
Smoky, charred meat notes add complexity to flavors of blackberries, cocoa, cedar and spice in this St. Helena Syrah. Its tannic complexity lifts the palate to nobility. Dramatically dark in color and rich in profile, it's the winery's best bottling since 2008. It needs a few years to meld, so drink from 2015–2017. — S.H. (2/1/2014)
