

## **2015 Four Cairn Syrah Napa Valley**

---

Even better, the 2015 Syrah Napa Valley is a beautiful Syrah that comes from a site at the base of Spring Mountain. Its deep purple color is followed by exotic notes of blueberries, red plums, Asian spices, and bay leaf/bouquet garni-like nuances. This is a perfumed, complex, layered beauty that has ample mid-palate fat and richness, sweet tannin, loads of background meatiness and bacon fat, and tons of personality. I love it. Unfortunately, there are only 140 cases made.
